## MISSION

One **Nation** | One **Generation**

## VISION

Equipping and Empowering to bring the Kingdom of God to communities in Cambodia, Southeast Asia, and to the ends of the Earth.

## VALUES

### 1 Listen and Obey:

God has called us to be committed in our ministries, decision-making and all of our lives to hearing and obeying God from the Bible and following Jesus leading through the guiding of the Holy Spirit in the Fear of the Lord.

### 2 One Family Together:

God has called us to prioritize doing life together as an International community honoring the Khmer culture. This means meeting together, worshipping and seeking the presence of God together, eating together and having a sense of ownership and generosity together for all of our ministries.

### 3 Honoring & Caring for Staff:

God has called us to love and value each other with the desire that all of our staff would thrive and not just survive.

### 4 Raising up and Sending out Cambodians:

God has called us to champion the gifts in the Khmer and we are committed to equipping, sending and standing with Khmer missionaries within Cambodia and in the nations.

### 5 Regional Resource Hub:

God has called us to bless the region of Southeast Asia through equipping and sending, and a key for this will be to continue to pioneer new initiatives in Battambang and throughout the region.

## TARGET LOCATIONS | IN CAMBODIA & THE NATIONS

### Myanmar

Is a deeply fractured country with systematic violence evident against certain minority groups for their Christian faith. 83.6% of the population is currently unreached.

### Laos

Despite restrictions and persecution, the church is growing. 3.4% of the population profess Christianity. However, 113 out of 135 People groups are yet unreached. 81.5% of the Population remains unevangelized.

### Cambodia

80% of the population is below the age of 30, and half of that population is below the age of 15. This is because of civil war and genocide. This country is 95% Buddhist. It is one of the poorest countries in the world, 1/3 of the population lives on less than a dollar a day.
