#### U of N CAMBODIA BASIC PHILOSOPHY OF MINISTRY

Thank you for prayerfully considering involvement with YWAM / U of N Cambodia. We would like to take this opportunity to give you some understanding of our calling as a mission in Cambodia. The following serve as basic guidelines for our teams.

A. WE OPERATE AS A TEAM MINISTRY. We live together in smaller households, as families and as individuals. We have regular team meetings not only to facilitate communication and logistics, but for teaching, prayer, and spiritual nurture and accountability. Regular participation is expected. We believe that a spirit of accountability welcomes correction, encouragement, and openness in both our corporate and personal lives.

B. GOD HAS CALLED US AS A MISSION TO PRAY AND INTERCEDE FOR THE NATIONS. Each ministry team, whether short or long-term, participates in regular times of prayer together.

C. OUR MISSION FUNCTIONS UNDER AUTHORITY. In some cases, we work with the local government and therefore submit to their laws, policies, and guidelines. We also cooperate closely with various international agencies and communicate and coordinate accordingly. We affirm our need to be in submission to those whom we serve, those who serve us in the Lord, and those with whom we work as co-laborers.

D. OUR PRIORITY AS A MISSION IN CAMBODIA IS TO SERVE GOD, EACH OTHER, AND NON-BELIEVERS. We are dedicated to being relationship-oriented in our living and working together. Our individual relationship with God will affect the way we relate to both fellow staff and non-believers. We desire to minimize the need for structure and rules by leading lives of transparency, humility, open communication and keeping short accounts. People observe how we live and relate together and know we are Christians by our love for one another. We come from many nations, cultures and backgrounds, but our common purpose is to know God and make Him known. Therefore we recognize the importance of developing cultural sensitivity and discovering new ways of accomplishing our goals.

I have read the above and fully accept the guidelines under which we serve together.

YWAM / U of N CAMBODIA STATEMENT OF BURIAL

We encourage each prospective staff member to consider seriously the possible consequences of missionary service. Although death is rare in service with Youth With A Mission / U of N, it is nevertheless a possibility.

YWAM/UofN endeavors to protect its staff on the field; however, for those serving in the developing world, it is important to consider the possibility of sickness or death from disease, accident, or other potentially life-threatening situations.

When death occurs in a developing nation, the death and disposition of the body are dealt with under the laws of that nation. Some countries require disposal of the body with 24 hours, while others adhere to the religious laws of that nation.

In the case of death, we recommend that burial occur locally rather than returning the body to the home nation. However, should the family desire repatriation of the body and that be possible under local laws and conditions, the family must cover the cost.

For those who see repatriation of the body as a high priority, we recommend you investigate various insurance schemes to cover this event.

I believe that God has called me into His service with Youth With A Mission/UofN and I feel I must follow Him in obedience.

I understand that accidents and sickness are possible wherever I may live and travel.

I agree that, in the case of my death while serving with Youth With A Mission/UofN, the disposition of my body may be decided at the location of death. If my family desires to have the body shipped home, and that be possible, I understand that they will need to pay for all expenses incurred.

I hereby absolve YWAM/UofN and its entire staff and associates from any responsibility for repatriation costs.

#### YWAM / U of N CAMBODIA HOSTAGE SITUATIONS

Service in Cambodia, like many other nations, presents the potential danger of staff members being taken hostage.

In principle, YWAM/UofN will not pay ransom to free staff members that are taken hostage. Please sign below indicating that you have read the above statement and are willing to abide by this policy.

### STATEMENT OF ARMED PROTECTION

Cambodia is a nation which continues to experience armed conflict from time to time. This is a circumstance which all UofN staff and students must take into consideration.

UofN will take all reasonable precaution to ensure that its staff and students are not working in areas of conflict and danger. It is not possible; however, to guarantee complete safely from armed elements while living and/or traveling in Cambodia.

UofN will not expect its staff and students to remain in places where they fear for their safety to the point that they desire to leave, or to travel to or live in places where they would rather not go.

The Royal Government of Cambodia has on occasion wanted YWAM staff to travel with armed guards for their protection. After much consideration, YWAM and U of N International has decided that it is preferable to travel <u>without</u> armed protection from the Government and that we will as individuals accept responsibility for our own safety.

Please sign that you have read and agree to this policy.
